FROM THE PRINCIPAL

NAPLAN
Congratulations to our Year 7 and Year 9 students for their conduct and ability to follow exam protocols during the three days of NAPLAN. Students conducted themselves well and it was great to see so many students trying their best. We won’t know how well we did until later in the year but students should feel proud of their work ethic.

Year 7 and Year 8 Parents’ Afternoon Tea
Parents of students in Year 7 and Year 8 are being invited to a series of afternoon teas organised by our Guidance and support staff. These afternoon teas are aimed at addressing a number of key social and emotional topics such as building resilience, changing friendship groups and supporting teenagers. These topics include the theme of how parents and the school can work together for the best results for our students. A letter has gone home with your student with the times and dates so keep an eye out for it; you may have to dig it out of the bottom of their school bag. It would be great to see a number of parents at these morning teas, even if you can only make one or two. Call us in the office if you would like further information.

Chaplaincy Week
Next week is Chaplaincy Week and your support is greatly appreciated so we can keep our fantastic chaplain in the school. A significant number of students access the support provided by our chaplaincy service as we focus on ensuring our young people are strong, resilient and happy.

There are a number of events on and it would be great to see students attend the Wednesday Breakfast program hosting our annual "PANCAKE BREKKY" Gold coin donation.

Beacon Foundation
Springwood High has become a Beacon school. Beacon is a not for profit nation-wide organisation with the belief that every young person has the right to hope, to a job, financial opportunity and the sense of personal success this provides them. Beacon works with schools, businesses and communities to help bring relevance to the curriculum, and inspire young people to think about careers and experience the workplace whilst they are still at school. This helps school retention rates and teaches real-life skills, preparing them for the workplace.

Congratulations to Kezia Goode who has been chosen as one of three scholarship recipients from Queensland. Kezia will attend a week long camp in Canberra where she will join other students from around the country to work on their leadership skills.

**ENABLE Sports Day**

On Monday 4th May Springwood State High School hosted the first inaugural ENABLE Sports Day. Students from Springwood, Marsden, Beenleigh, Windaroo, Kingston, Boonah and Loganlea State High Schools came together to participate in a variety of sports activities. A round robin style rotation was set up for students to experience floor ball, basketball, ball games and futsal. We were lucky enough to have players from the Brisbane Roar Soccer Team bring their inflatable soccer field and play soccer games against all the students. The day was a huge success with students loudly shouting “YES!” when asked if they wanted to participate again next year. A big thank you to the senior students who helped out refereeing the games, cooking the BBQ and supporting all the teams. Thank you to HPE Head of Department Steve Hodges and his team for organising the day, it was a huge success.

Junior Secondary News

Year 7/8 Camp to CYC Burleigh Head.

This year 115 Year 7 and 8 students set off down the Pacific Highway to Burleigh Heads. Students were able to participate in a variety of water activities focussing on social interactions amongst peers and staff, team work, confidence, leadership and creating new friendships.

Over the three days, students were eager to head to the water to experience stand-up paddle boarding which the instructors called ‘SUPping’. It was wonderful to watch students practice the skills and stand up tall on the boards.

Squeals of excitement could be heard afar while students were gliding on tubes behind a boat around Tallebudgera Creek. Many students had never been tubing before and they were commended on their bravery for jumping on the tube and racing around the creek. Canoeing was another highlight activity for students. They were given the task of paddling as a team over to CYC island and construct a sand ball catapult. Finally, surfing was one activity all students were keen to give a go.

A massive thank you to all staff at CYC for providing students with delicious meals, great night time activities including a walk on Burleigh beach and a raging disco. A final thank you to Mr Ogier, Mr Baker, Miss Roy, Miss Williams, Miss Clarke, Mrs Weston and Mrs Vickers for assisting students over the three fun filled days.

QCS Special Provisions Applications are open!

Year 12 students who are eligible for an Overall Position (OP) or equivalent OP (visa students) must sit the QCS Test. Students who are ineligible for an OP may choose to sit the test.

The QCAA recognises that some students are affected by a medical condition, an impairment, or exceptional circumstances that may act as a barrier to their access to the test or to their demonstration of their achievement in the test. We attempt to minimise such barriers by making special provision available.

Applications close 21st May 2015.
Please see Mrs Ormonde, Mrs Flint or Ms Job if you require an application.

PAYMENT INFORMATION

Student I.D Numbers
A friendly reminder to Parents/Caregivers to use your student’s I.D. number as a reference, when making payments via internet banking. The correct I.D. number is 10 digits with a letter on the end (eg. 123456789X). The old six digit student I.D. number is now obsolete. This is particularly important when making payments via internet banking so that the school’s Finance Department can apply the payment.

If your student does not have an I.D. card or you are unsure of your student’s I.D. number, please do not hesitate to contact our Administration Department. I.D. cards can be collected from the Payment Window.

Paying via Internet Banking: Direct Payment into School Bank Account
- School’s Bank Account Name: Springwood State High School
- BSB Number: 064-170 (CBA Branch Springwood)
- Account Number: 00090094

If insufficient details are supplied, payments will be applied to the oldest debt for that Family/Customer.

HAVE YOU MOVED?
If you have moved, changed jobs, changed your telephone number (including mobile) or if your emergency contacts have had any changes to their contact details we need to know. Please send a note to the office with your child or phone the office on 3380 6111 to let us know of any changes.

MEDICATION
Just a reminder that if your child needs to take medication of any kind while at school we can only administer prescription medication. This medication needs to be in the original box/container with the chemist label adhered to it. Students are not permitted to hold medication of any kind in their bag. All medication must be brought to the office, authorisation forms filled out and signed by parent, guardian and students then come to the office for staff to administer the medication. Should you have any queries please don’t hesitate to contact the office.

MOBILE PHONES AT SCHOOL
Students are to be reminded that it is at their own risk if they choose to bring a mobile phone to school. It is understood that some students have a mobile phone for safety purposes whilst travelling to and from school, however, it is this school’s policy that phones are to be switch off and out of sight during lesson times. If a mobile phone is used during class time, then the teacher may take the action of confiscating the phone until the end of day. Students are encouraged to hand their mobile phone in to the office for safe keeping during the school day.

Metro South Oral Health Services

Changes to the School Dental Program

Good dental health begins at home. That’s why we’re making changes to our school dental program to give all parents the opportunity to be involved in their children’s dental care.

What’s changing?

We now ask that a parent or legal guardian attends every dental appointment with their child. To fit in with busy families, we’re offering free treatment at any of Metro South Health’s public clinics across the region.

That means you will now need to book an appointment for you and your child; we will no longer arrange appointments through your child’s school.

When you attend the appointment, you will have the opportunity to discuss any concerns and receive expert advice from our oral health professionals about your child’s dental care. Research shows that children have better long-term dental health if their parents understand their unique dental needs.

How can I make an appointment?

Simply call our new telephone line 1300 300 850 – to arrange an appointment at a time and location convenient for you.

Who is eligible?

✔ All children 4 years old through to year 5 students
✔ Students in years 12 and 13 who have a current Centrelink Card, Healthcare Card or Pension Card
✔ 0-3 year olds whose parents have a current Centrelink Card, Healthcare Card or Pension Card
✔ 3-17 year olds who are eligible for the Child Dental Benefits Schedule
